

Benign Disillusion

INTRO

VERSE 1

F F7
I'm stuck in a state of severe confusion
Bb Bbdim
Stuck in a state of benign disillusion
F F7
Because I feel I just can't refuse
Bb Bbdim
In finding my way back to you
F F7
You caught me off guard with your highly-trained words
Bb Bbdim
You'd picked up the knowledge of the calls of the birds
F F7
I leaned in to hear what you were saying to her
Bb Bbdim
But your voice, it just wouldn't come through

CHORUS 1

C7 Bbdim
And I couldn't believe that you wouldn't receive
F Dm
The hints that I was sending
C7 Bbdim
And I couldn't quite tell if you knew it was hell
F Dm
To deal with your pretending
C7 Bbdim
So please make up your mind
F C7
Be present or just be resigned

VERSE 2

F F7
I'm caught in a net of severe confusion

Bb Bbdim
A bear trap well-placed in a leafy illusion
F F7
An ironic cage of iron seclusion
 Bb Bbdim
That is locked and is missing its key
 F F7
I was wondering if you had known what you'd done
 Bb Bbdim
Or if your cruel torment has only begun
 F F7
But you didn't expect that you'd soon be outdone
 Bb Bbdim
For I've found a new man who loves me

CHORUS 2

 C7 Bbdim
And I couldn't believe that you wouldn't receive
 F Dm
The hints that I was sending
 C7 Bbdim
And I couldn't quite tell if you knew it was hell
F Dm
To deal with your pretending
C7 Bbdim
So please make up your mind
F C7
Be present or just be resigned
