

Earthbound

INTRO

G Em Bm A
G Em Bm A

VERSE 1

Bm G D Em
I write to stay awake, light dies quicker in the winter time
Bm G D Em
Wolves line the city streets, all that's left is a tired crime
Bm G D Em
I'll sleep away the cold, I'll wrap myself up like a twisted wire
Bm G D Em
Coiled like a rattlesnake, bites burn just like a bush fire

PRECHORUS

G Em D Em
I'm in shock, I'm in shock
G Em D Em
I'm in shock, I'm in shock

CHORUS 1

G Em Bm A
I'm a switchblade renegade, my heart's buried in the junkyard
G Em Bm A
Covered it in kerosene, burned it up in cold regard
G Em Bm A
I'm a switchblade renegade, I'm not stand up, I've got lies down
G Em Bm A
To the core, I'm a carnivore, I will never be earthbound

INTERLUDE

VERSE 2

Bm G D Em
Dark bites away the sun, leaves behind its shy twin
Bm G D Em
Light's there for anyone, I have had my fill within
Bm G D Em
My thoughts break like falling glass, shatter when I try to let them out
Bm G D Em
Color cracks, I can't take it back, I wish I'd never opened my mouth

PRECHORUS

G Em D Em
I'm in shock, I'm in shock
G Em D Em
I'm in shock, I'm in shock
