A9 Dmaj7

VERSE 1

A9

That was the last time

Dmaj7

Beneath that scarlet sky

A9

Dmaj7

When man-made comets made the earth vomit fire

A9

The air smelled of cigarettes

Dmaj7

And crackled like the static of old cassettes

A9

Dmaj7

The houses had been sleeping just prior

CHORUS 1

Em

Dmaj7

Dark and starless, new catharsis

A9

Sudden sharpness, where's your conscience

Em

Dmaj7

A9

Tear my heart out from the hole in my chest

Em

Dmaj7

Warped and twisted, they persisted

E

Dmaj7

And do we still believe they know what's best?

Does anyone feel blessed?

INTERLUDE

A9 Dmaj7

A9 Dmaj7

VERSE 2

A9

Cold as glass, white as bone

Dmaj7

Pinpricks in the great unknown

A9

Are hidden behind charcoal clouds

A9
Bombs are weightless
Dmaj7
Fatal, faceless
A9 Dmaj7
And when they fall they hardly make a sound
