

Go Getter

INTRO

Am -C G

Am - C G

VERSE 1

Am C G Bm

Grief's a sheet of tin foil that I crush inside of me

Am C G Bm

A story to be told in every fold and every crease

Am C G Bm

I'm smoothing out the edges, cutting corners piece by piece, but I can barely breathe

Am -C G

VERSE 2

Am C G Bm

Anger is a sickness and it's boiling in my blood

Am C G Bm

So I seethe into the void that's left behind with every thud

Am C G Bm

Of the door that leads to healing, when I come close, it swings shut, well I've had enough

Am -C G

PRECHORUS

A C

Try to give it time, life will teach you how to live

A C

You just have to live it for a while

CHORUS

Em - C - G

Ooh, pull it together

Em - C - G

Ooh, shake off the pressure

Em - C G

Ooh, sometimes you gotta burn it down to build it better

Em C G

Love it or hate it, it's now or never, you gotta be a go getter

VERSE 3

Am C G Bm

Sorrow took you over like a cloud above your house

Am C G Bm
Though you built it for your burdens, more were coming unannounced

Am C G Bm

I brought flowers for your garden, but the weeds still choked them out like a seed of doubt

Am -C G

VERSE 4

Am C G Bm
Hope was sending signals but you couldn't see the signs

Am C G Bm
You had spent your whole life driving all those thoughts out of your mind

Am C G Bm
With your foot pressed to the pedal, you decided it was time, what did you leave behind?

Am -C G

PRECHORUS

A C
Try to give it time, life will teach you how to live

A C
You just have to live it for a while

CHORUS

Em - C - G
Ooh, pull it together

Em - C - G
Ooh, shake off the pressure

Em - C G
Ooh, sometimes you gotta burn it down to build it better

Em C G
Love it or hate it, it's now or never, you gotta be a go getter

BRIDGE

A C
And if I leave it all to hindsight, is there anyone to blame?

A C
And if I tell you that I'm sorry, can I leave behind the shame?

Am C
You should've pushed through the lie, you should've given it time

Am D
But who am I to preach when I can't even say goodbye?

CHORUS (x2)

Em - C - G

Ooh, pull it together

Em - C - G

Ooh, shake off the pressure

Em - C G

Ooh, sometimes you gotta burn it down to build it better

Em C G

Love it or hate it, it's now or never, you gotta be a go getter
