

ROLLERCOASTER

Verse 1

B A C#m
I woke up on a rollercoaster
A E A C#m
Heart inside my head, chest was full of dread
B A C#m
In a moment, thought my world was over
A E A F#m
Did I make it up, or was I really at the pinnacle?

B A
So I slept right through it, hit the pavement, kept on running
F#m
Eyes are heavy, thoughts are heavy

Now the wave is crashing down, down, down, down

Now the wave is crashing down

Verse 2

B A C#m
When I woke up, I was in the air
A E A C#m
Suspended in a daze, with creases on my face
B A C#m
In my pocket, felt around for crumbs
A E A F#m
To feed the gnawing hunger, I started sucking on my thumbs

Pre-chorus

Chorus

Bridge

B A C#m
I notice patterns more than ever
A E A E
In every truckstop subway sandwich, every midnight motel lobby
A E A C#m

Every time I wash my face off, every time I text "I'm sorry"

E B C#m

In every prepossessing person, in every grinding repetition

In every time I put my face on

E B

In every hand I put my heart in
